Your TCM Missionaries in South Africa

June - Sept 2010 issue

Youth Day 2010

June 16 - members of the National Organization of Grace Berean Youths (NOGBY) gathered together at Grace Berean Church-Thsepisong to join South Africa's Youth Day celebration. It was a commemoration of those students who died during the Soweto uprising in June 16, 1976, when thousands of them went on the streets of the township to resist and protest against apartheid government. During the youth fellowship, we were able to challenge the youths to continue spreading the love of God and forgiveness to the hatred-filled hearts of the South Africans. The speakers also talked about relationship, marriage and ministry.

PRaises & PRayers

- We thank the Lord for the joy in the service. This joy comes from knowing that He has called us into the ministry in spite of our imperfections and insufficiencies. Thank God for He looks at not on who we are but on who He is. Praise God He looks beyond what we can do and focus on what He can do through us. Thank you Lord for being who you are and for your sufficient grace!
- We thank the Lord for allowing us to lead leaders. We are so blessed to have members and new comers who are owners, administrators and managers in their workplaces. Pray that God would make them faithful and reliable in the ministry. Praise the Lord for His influence!
- We bless the Lord daily for YOU, our beloved prayer and ministry partners. We thank the Lord that distance, needs and for some, not meeting us yet have not hindered you from joining the cause of saving the lost and edifying the saints. Your love and gifts inspire us to give our best to perform the task God entrusted to us. Special salute for YOU!

Campus Ministry Resumes

On July 12, South African schools officially resumed their classes after a month-long holiday due to the Soccer World Cup. The school principal and administrator of Oxford Combined College had then given us the go signal to continue our Campus Ministry. As the school's official pastor, we have the permission to minister to all levels from grade 1 all the way to high school during lunch breaks. OCC has around 600 students. We teach there everyday except Monday. Some of those who received Bibles have already graduated last year. Though many are still in grade 12, but starting this month they won't be able to attend our class regularly. This is because they are reviewing for the upcoming matric exam in November. Pray for more H.S. students to attend our class..

TCM Director Visits SA

August 18-22, TCM Director Ben Anderson visited South Africa. His visit brought refreshment, encouragement, and enlightenment both to our local and national ministries. His meeting with the national leaders ignited a fire to clarify the vision, work on the missions and maintain communication. He also had the taste of our daily schedules. He delivered a meaningful challenge on missions to a couple of our Bible study groups. He shared life and Bible stories to our campus ministry students and preached a straightforward message on family and missions in our Family Sunday.

New Campus Ministry Opens

August 18, we started another Campus Ministry at Rhodesfield Technical High School. After a couple of meetings with the in-charge of religious affairs, we got the approval to minister in their campus. RTHS is a public school with about 1400 students. Around fifty of them are attending our Wednesday and Friday Bible classes. Some of them bring audio recorders during our classes to record our teachings and share them to other schools. There were students who heard about our teaching came to our Campus Ministry Conference on September 17 and invited us to minister also to their campuses. Pray for more campus ministry workers!

ABGMSA National Conference 2010

The Association of Berean Grace Ministries in South Africa held its 14th National Conference at Grace Berean Church - Sushanguve last September 24-26. Delegates from Mpumalanga province, Taung, Soweto, Pretoria and Kempton Park came excitedly to participate in the annual event. The Executive Committee of All Africa Grace Fellowship (AAGF) composed of Pastors Steve Thobela-South Africa, Kennedy Simtowe-Malawi, Peter Kagwe-Kenya, Givemore Nyakambiri-Zambia and missionary Steve Sherman-Tanzania also attended and served as guest lecturers and speakers. The lectures and messages were taken from a classic and yet ever-fresh theme, "Rightly Dividing the Word of Truth". It was meant to refresh the knowledge of the older members on dispensationalism and teach new believers the key to a meaningful study and understanding of the Scriptures. On Saturday evening, members were given an opportunity to bless the Lord through their talents and gifts in a Talents Night. Aside from devotions, lectures and a special message on Sunday worship, there was also a child dedication and licensing ceremony of Pastor Siphwe Hlatswayo. The conference ended with a very touching appeal to continue in the faith and service to the Lord. Praise God!

GBC-KP Singers rendering "Redeemer"

Dean on the message "Spiritual Gifts in the Grace Dispensation"

Grace Berean Church - Kempton Park will be celebrating its 4th Anniversary on October 17. Pray that this church will continue to produce faithful and reliable men to partner with us as we plant more churches.
